

100% INDIGENOUS OWNED

Moyeyihtamowin Consulting Limited is a leading environmental consulting company based on Muscowpetung Saulteaux Nation in South Saskatchewan. We specialize in providing comprehensive services to meet the highest environmental standards and regulations. Our primary focus is addressing climate change, promoting sustainability, and advancing renewable energy solutions.

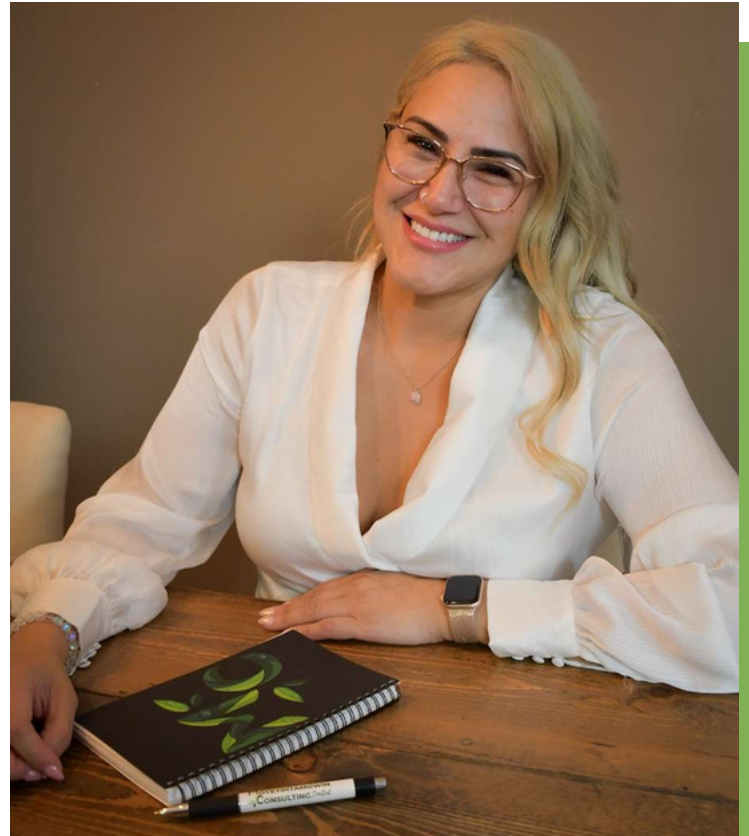

What sets us apart is our deep respect for Indigenous culture and values. We prioritize building strong relationships and establishing meaningful partnerships with Indigenous communities. By integrating Indigenous knowledge with western science, we strive to bridge the gaps between industry, government, and Indigenous communities, ensuring that our work aligns with the principles of environmental stewardship and cultural preservation.

At Moyeyihtamowin Consulting Limited, our ultimate goal is to ensure the protection of Mother Earth and restore her to her natural habitat. We are dedicated to providing innovative and sustainable solutions that contribute to a healthier and more resilient planet for future generations.

Our Name:

"Moyeyihtamowin", a Cree word meaning "awareness of the environment". This is a direct representation of what our company provides. The growth and development of awareness, understanding and consciousness toward the biophysical environment and its problems, including human interactions and effects.

Our Mission:

Moyeyihtamowin Consulting Limited assists Indigenous communities and other companies to reduce the damage caused by their operations to the surrounding environment by enhancing the quality of the natural habitat.
